

THE COMPANY

team**FORCE** Human Resources Service Group was established 2000 based on the accumulated know-how of senior consultants and executives with multinational experience. The company's target is to provide local and international companies with professional, innovative human resources solutions in the competence areas:

- **Human Resources Search & Selection** (*including Executive & Professionals Search, Contingency Search and Temporary Staffing*)
- **Human Resources Improvement** (*Targeting soft skill development and enhancements in the areas sales & marketing, management, organizational and individual development*)
- **Human Resources Consultancy** (*Compensation & Benefits, Communication & Leadership, Change Management, Human Asset & Investment Management*)

In-depth understanding and practice of markets, cultures and national – regional characteristics are some of our key strengths. Our personal commitment supports success and leads to satisfaction and loyalty.

THE TEAM

Each team**FORCE** Competence**PARTNER** (senior consultant) has at least 3 years practical working and managing experience in the industrial areas "Information Technologies / Telecommunication", "Banking & Insurance", "Retail & Distribution", "Manufacturing, Transportation, Construction", "Pharmaceutical & Healthcare".

Most of the consultants started after their education degree in a high potential program before reaching senior executive positions. Acquired experience gives them a practical and rational overview of the different working levels.

THE ASPIRATION

To become **The Leading Integrated "One Stop – One Shop" Personnel Service Supplier** within Central & Eastern Europe by providing outstanding human resources solutions in excess of client's expectations and needs.

THE VOCATION

Using our local and global resources in the best possible way to provide innovative solutions, supporting our client's growth and improving their profitability of the investment on human assets, delivered with our **client success oriented team**PATH** Method** **EVALUATE – RECOGNIZE – EXPERIENCE** and **Core Principals FEELING – FAIRNESS – QUALITY – SPEED – SUCCESS.**
